

INSTRUCTIONS TO AUTHORS

All material submitted for publication should be sent exclusively to the 'Pakistan Journal of Gastroenterology'.

The authors should comply with the following policy:

1. The editorial board retains the customary rights to style, shorten or reject the article submitted for publication.
2. Original articles should normally contain research related to Gastroenterology and may be in the form of clinical research papers, unusual case reports, new ideas and innovations regarding techniques, procedures and instruments, and short reports.
3. Special articles related to medical education, new and useful statistical techniques and those related to any drug, special procedure, etc. will also be entertained.
4. Review articles should constitute critical analysis and latest developments. Prior permission of the editors should be sought before sending a review article.
5. Manuscripts should be typed double spaced on one side of the paper and the pages should be numbered.
6. Scientific articles should conform to the internationally recognized structure viz. abstract, introduction, material and method, results, discussion and references. Tables and illustrations should be submitted separately from the text. Technically incorrect articles will not be accepted.
7. The references should be presented according to the style of Index Medicus. Titles of books should be followed by place of publication, publisher and year.
8. The article once submitted will not be returned irrespective of its publication. The author is advised to retain a copy.
9. Author should submit their manuscript on-line via link at website www.psg.org.pk
10. All authors must give written consent for publication on the attached proforma.
